RAVE REVIEWS

"Mary Kay creates a very open environment for discussion and gets everyone involved. She is passionate, engaging, articulate, and enthusiastic."

Kathy Kanzer-Johnson, Kraft Foods

"Participants thought your presentations were funny, uplifting, and realistic. Many stated that you were our most excellent speaker ever. Thanks for making our event unique and memorable."

Maggie Fredricks, The Pampered Chef

"Mary Kay is an example of what can happen if you face your fears and 'work your plan'. I recommend her without reservation."

*Patrick M. Halloran, Principal,
Morris Community High School*

"I want to thank you for an absolutely outstanding afternoon of learning, fun and networking. Your seminar on 'You Can't Flow Chart Murphy's Law' was a resounding success. I look forward to hearing you speak again."

*Pat Pollmann CPS,
Illinois Division Certification Chairman, IAAP*

"I know that you touched some hearts and minds as I received several personal notes from members the next week thanking me for such an inspiring meeting. We recommend you to any organization!"

*Nancy M. Key, President
Junior League of Albuquerque*

"We received many positive comments including: 'Time flew most speakers I've heard get a bit boring. She got her point across with humor.'"

*Laura Taylor, President
Missouri Business Education Association*
